If you receive a Cal Grant A or B, your lifetime funding is limited to four academic years total. This limit includes payments made while you attend SBCC and any payments made after you transfer. To stay on track for a four-year bachelor's degree, plan for 15 degree-applicable units per semester (or 30 per year). If you're unsure how this affects you or how many units you should take, please meet with the Financial Aid Office – we're happy to help you map out a term-by-term plan.
